Vertiv Avocent® DSView™ 4.5 Management Software

This notice is to communicate the replacement of Vertiv™ Avocent® DSView™ 4.5 Management Software with the Vertiv™ Avocent® DSView™ Solution Management Software platform.

The End-of-Life process for Vertiv™ Avocent® DSView™ 4.5 Management Software software will begin February 1st, 2025, with the End-of-Sale (EOS) and continue until full End-of-Life (EOL) support February 1st, 2030.

Vertiv™ Avocent® DSView™ Solution Management Software is now recommended for all new customers. Existing Vertiv™ Avocent® DSView™ 4.5 Management Software users are urged to make the transition to the new platform as soon as possible.

There is no SKU-for-SKU replacement for Vertiv™ Avocent® DSView™ 4.5 Management Software license SKUs. Instead, customers will migrate to using the licensing schema associated with Vertiv™ Avocent® DSView™ Solution Management Software.

For more information: www.vertiv.com/dsview-solution

The following SKUs will be involved in the End-of-Sale (EOS):

Current SKU	Description	Replacement
DSV4.5-1000DEV	DSView™ 4.5 1000 Device Add-On Licenses	
DSV4.5-100DEV	DSView™ 4.5 100 Device Add-On Licenses	
DSV4.5-500DEV	DSView™ 4.5 500 Device Add-On Licenses	1 Vertiv Avocent® DSView™ Solution License Model
DSV4.5-BASE	DSView™ 4.5 Master License Key Request	
DSV4.5-DEMO60	DSView™ 4.5 60 Day Demo	

Gold and Silver subscription SKUs (a.k.a. maintenance agreements) will remain active after EOS to allow customers access to Technical Support. Maintenance renewals will be available until 1 year prior to full EOL.

Ex. A customer can still purchase 1YRGLD-1000DEV up until 1 year prior to full EOL.
